MARvelous Education Fund: Higher Education Scholarship Application

General Eligibility

All Minnesota JCC members and staff are eligible.

Scholarships are available to degree seeking students in a post-secondary program at an accredited college or university.

Criteria

The MARvelous Education Fund Committee awards scholarships based on:

- JCC involvement
 - Scholastic performance
 - Financial need
1. Preference is given to individuals with a history of involvement at the JCC, who also have demonstrated a high level of academic achievement and have financial need.
 2. The MARvelous Education Committee has a very broad definition of financial need as the cost of post-secondary education is very high. The committee considers a number of areas to determine financial need.
 3. Applicants can re-apply for the MARvelous Education Scholarship every year, regardless of whether they have or have not received this scholarship in past years.

Timetable

Completed applications, with all required attachments, are due no later than February 29, 2024. Applicants will be notified of a decision before March 31, 2024.

Awards

The fund will award a \$5,000 scholarship.

The JCC will issue payment directly to the college or university upon receiving a tuition invoice from the award recipient. Funds may be applied to tuition and academic fees only. Tuition bills must be received before December 31st of the year they are granted, otherwise the scholarship is forfeited. Applicants are encouraged to apply to other funding sources as well.
