HALEV EARLY CHILDHOOD AT THE J • SABES CENTER MINNEAPOLIS

HEBREW IMMERSION LANGUAGE PROGRAM

Meet our Hebrew Specialist, Gal!

Gal, originally from Israel, is currently moving to Minneapolis with his wife and four young sons. He is thrilled to be joining the JCC community!

Gal has been working with young children for over a decade — his true passion and joy. He is honored to bring the Hebrew language, the Israeli culture, and Jewish tradition into our daily lives in a fun, loving, and meaningful way.

Outside of the classroom, Gal likes to spend time with family, read, and play basketball.

HaLev Early Childhood at the J is excited to offer a new, innovative Hebrew Immersion Language Program for children ages 3 to 5. The program blends language learning with joyful, play-based exploration to provide an immersive introduction to Hebrew and Israeli culture within a nurturing and dynamic preschool setting—a unique early childhood offering in Minnesota. Studies show that learning a second language offers many advantages!

Throughout the day, children engage with Hebrew through routines, instructions, songs, and activities.

Daily schedules include:

Choice Play • Circle Time • Music • Art • Large Muscle Play • Stories • Swimming • and more!
