

CAMP REGISTRATION

New Registration Tool!

This year, you will register your camper online through Daxko Operations, the Minnesota JCC's new registration software.

By using Daxko, all of your JCC registration, membership and financial information will be conveniently located in your Daxko user profile (including but not limited to camp).

If you have recently registered online for other JCC programs such as swimming lessons or etc., then you are already familiar with Daxko!

As always, our recommendation is to spend time on the Camp Website reviewing session offerings *before* registration opens and deciding what sessions you would like to register for. That way, on opening day (or when ready to register) you can quickly and easily log in to Daxko Operations and select and register for your sessions.

This year, the Minnesota JCC Camp Team has worked to further streamline the camper registration process with our new tool. Our hope is that the process will be quick, convenient, and easy for our families. You will notice that some questions you have been asked in the application in previous years are not within the application this year. That information will be collected through the CampMinder Parent Portal later in the spring. You will receive information and communication when it is time to log in to your CampMinder Parent Portal and work on your camp forms, just like in years past.

Pro-Tip: When registering using Daxko, it is VERY important that you “measure twice and cut once.” Please make sure that, while registering, you are paying close attention in choosing the correct week/session dates, camp site (Butwin or Olami), and age group. You will receive a confirmation email when you have completed your registration, and you can always easily log back in to check your registered sessions, but any changes will require JCC staff intervention.

Pro-Tip: Daxko is the primary JCC registration tool and is open and accessible year-round on our website. We encourage you to log-in today to make sure your account is correct and up to date (family members names/ages, your username and password), so that you are ready and prepared on registration opening day.

Camp Lunch, After Care and any other additional options will be available for registration through Daxko later in the season

CAMP REGISTRATION

Q What Can I do to be prepared to use Daxko?

A. You should make sure you have your log-in information including username and password ready and at your fingertips. You do NOT need to wait until camp opening day to log in to Daxko and make sure your account and family information is correct. We encourage you to do so NOW so everything is ready to go on registration opening day. If you are NOT a JCC Member and/or do not have a Daxko account, you should go to the JCC website and set up your account NOW so that it is ready for you on registration opening day. There is no purchase or commitment required to set up your Daxko Account. Simply

Q. Where can I find more information about my Daxko account?

Please find a PDF guide with images and instructions posted on our camp website in the parent resource section. If you require additional assistance in setting up your Daxko account after following the steps in the PDF guide, email accountsupport@minnesotajcc.org

Q. Where do I go to log-In to register?

A. Links to register will be posted on the camp webpage. You can also always access the Daxko Operations online registration tool by clicking the “REGISTER/LOGIN” button on the upper right-hand corner of every JCC

Q. What about all my forms and documents?

A. Most forms and documents will be completed later in the spring in your CampMinder Parent Profile. You will receive communication from Camp when it is time to log in to your CampMinder profile to complete your forms and documents.

What about CampMinder/What is CampMinder?

As you have read, Daxko Operations will be used for camp Registration and Financial Management (payment etc) in 2026. **CAMPMINDER** is our camp management software tool, familiar to most of our camp families from previous years. This year, we will continue to use the CampMinder Parent Portal for functions including:

- Posting Pictures
- Posting Newsletters

CAMP REGISTRATION

- Posting Informational Documents
- Completing your necessary Camper Forms, including and not limited to
 - Authorized Grown Ups
 - Permission Slips for special events
 - Group/Friend Request
 - Health History
 - Medication Administration
 - Sunscreen/Bug Spray Permission
 - Day Travel/Transportation Form

Camp will contact you later in the spring when it is time to log in to your CampMinder Parent Portal.

Thank you for your attention to this change, and for taking the recommended steps to streamline your registration experience. You are invited to reach out to a JCC team member if you have additional questions.

View illustrated instructions below:

Dear Minnesota JCC Members,

All existing Minnesota JCC Members will need to complete the online account set-up process before you will be able to register online for the first time and/or manage your account. Please review below how to properly set up your online account before beginning to register for programs.

STEP 1:

ENSURE YOU HAVE A VALID EMAIL CONNECTED TO YOUR MINNESOTA JCC MEMBERSHIP ACCOUNT. If you don't or are unsure, please contact member services at accountsupport@minnesotajcc.org and we will assist you.

STEP 2:

GO TO MINNESOTAJCC.ORG. CLICK ON REGISTER IN THE UPPER RIGHT CORNER OF THE WEBSITE – This will be your [Online Account Management Link](#) found by clicking on [Daxko Operations > Online Settings > Online Account Management](#).

CAMP REGISTRATION

YOU WILL BE NAVIGATED TO THE SCREEN BELOW.
