## BUILDING COMMUNITY, TOGETHER

The Minnesota JCC is where community comes to life. Every day, individuals and families gather at the JCC to connect, grow, and support one another in a welcoming and inclusive environment. More than a facility, the JCC is a place of belonging, where relationships are built, traditions are shared, and people of all ages find meaningful ways to engage with community.

The JCC brings people together through programs that strengthen connections and enrich lives. From early childhood education and youth engagement to wellness, arts and culture, and lifelong learning opportunities, the JCC creates spaces where everyone feels seen, valued, and included.

Children and teens grow within a supportive community through our HaLev Early Childhood, summer camps, after-school and school-release programs, youth theater, sports leagues, swim lessons, and leadership experiences that support development from infancy through high school.

Support from sponsors makes this work possible. By partnering with the Minnesota JCC, sponsors help ensure programs remain accessible, inclusive, and impactful, strengthening community today and helping it thrive for generations to come.

## WHY YOUR SUPPORT MATTERS

Sponsoring the Minnesota JCC is an opportunity to align your organization with a trusted community leader dedicated to Building Community, Together. Your support helps create meaningful programs and experiences that bring people together, promote well-being, and strengthen connections across generations.

As a sponsor, you are not only supporting impactful community initiatives, you are demonstrating your organization's commitment to inclusion, connection, and community vitality. Your partnership helps ensure the JCC remains a welcoming place where individuals and families can learn, grow, and belong.

Together, we are building a stronger, more connected community while showcasing your organization's leadership and investment in the people and families we serve. We're excited to partner with you this year.

## Last Year at the JCC...

We celebrated the grand opening of **Rock Steady Boxing**, which enables individuals with Parkinson's to fight back through non-contact boxing-style fitness programs that are designed to improve their quality of life.

We launched Kavod Coffee, which offers meaningful employment experiences for Jewish adults with intellectual and developmental disabilities. **Kavod Coffee** gives participants a chance to build confidence, learn lifelong skills, and serve up smiles — one cup at a time.

A new initiative is bringing community spirit and Israeli pride together through our innovative **Kehillah Sports Series**, a dynamic way to celebrate Israeli and Jewish athletes competing right here at home.

Our new Hebrew Language Program, **Ulpanon**, offers children ages three to five a unique, immersive experience in Hebrew language and Israeli culture within a nurturing, play-based preschool setting.

The **Twin Cities Jewish Film Festival** reached a new milestone in 2025, presenting **47 films**, composed of regional, national, and international premieres.
